5. Probationary Licence Update

The Committee was in receipt of a report from the Manager of the Licence Division dated 1990 October 23 with regard to Probationary Licence Update.

The Committee AGREED as follows:

That the Probationary Licence Update from the Manager of the Licence Division dated 1990 October 23 be received for information.

6. Bingo Licence Applications

The Committee was in receipt of a report from the Manager of the Licence Division dated 1990 October 24 with regard to Bingo Licence Applications - November - December, 1990.

The Committee AGREED as follows:

That the North End Information Service (Delta Bingo Centre) be issued a \$3,500.00 Bingo Lottery Licence for the period of November 5, 1990 - December 31, 1990.

7. In Camera

The Committee then retired in camera to consider Licence Applications.

The Committee subsequently approved the following:

1. That the application by Mr. Nikola Baborac of 83 Keith Street, Hamilton, be GRANTED for a one-year probationary period.
2. That the Cab Driver Licence of Mr. Robert Vacola of 79 James Street South, Room 404, Hamilton, be SUSPENDED for a four-week period.
3. That the application by Mr. Raphael J. Kolenko of 1270 Maple Crossing Boulevard, #1809, Burlington, be DENIED for a one-year period from the date of Mr. Kolenko's last driving conviction.

8. Committee Reconvenes

The Committee then reconvened in open session.

9. Letters re: Show Cause Hearings

Concern was expressed at the number of probationary drivers who did not attend hearings despite being sent notices of the hearing.

The Committee AGREED as follows:

That the letter advising probationary drivers of Show Cause Hearings be revised to indicate that if a driver does not attend a hearing, or provide written reasons indicating just cause, the Committee will proceed in the driver's absence and his/her licence may be suspended.

10. Taxi Cab Owners' Licence Applications

The Committee then heard applications from Taxi Cab Priority List applicants.

Cameron Warner

Mr. Sabo informed the Committee that Mr. Warner had attended a previous meeting at which Alderman Christopherson had presided. At that time, Mr. Warner had requested that the Committee hear his position and the Committee subsequently adjourned until Mr. Warner had decided on a course of action.

Mr. Warner confirmed that the last time he appeared before the Committee he had presented his case that he had been ill and said he was now asking for a deferral for two years.

Mr. Sabo said he would have no objection to a deferral to August 28, 1991 which was in fact the longest period which could be offered. He asked Mr. Warner if he was clear on the conditions of deferral that he would have to provide proof that he had been involved in the industry for two years, to which Mr. Warner agreed.

Mr. Sabo said based on this information he would be willing to consent to a deferral until August 28, 1991.

The Committee **AGREED** as follows:

That the request for deferral of the Taxi Cab Owner's Licence Application until 1991 August 28 in the case of Mr. Cameron Warner be granted.

Christopher Mullally

The Committee was in receipt of a report from the Manager of the Licence Division dated 1990 October 24 with regard to a request from Mr. Mullally for deferral of consideration of his application until 1991 August 28.

Mr. Dembe explained that the Licensing Committee at its meeting of May 09, 1990 had granted Mr. Mullally's request for a deferral until November, 1990. He said the Committee had previously decided that it would not object to an applicant on the Taxi Cab Priority List moving his consideration date to an earlier or later date, provided that it not exceed the August 28, 1991 deadline, which was two years from the passing of the By-law which set out the rules respecting issuance of Taxi Cab Licences from the Priority List.

The Committee **AGREED** as follows:

That the request for deferral of the Taxi Cab Owner's Licence Application until 1991 August 28 in the case of Mr. Christopher Mullally be granted.

Henry Schedletzky

Mr. Dembe gave the Committee an update on the progress of Mr. Schedletzky's agreement stating that Mr. Schedletzky had signed documents with regard to his undertaking which would prohibit the sale of his Taxi Cab Owner's Licence for a five-year period.

Irene Weiss

The Committee retired to consider written submissions with regard to Irene Weiss.

Resuming in open session the Committee adjourned until Mr. Manfred Rudolph, Mrs. Weiss' lawyer, was in attendance.

The Committee then reconvened.

Joe Cosmi

Mr. Manfred Rudolph attended and asked for an adjournment in the hearing of Mr. Joe Cosmi's application to a later date.

The Committee **AGREED** to grant the request for an adjournment in the hearing of Mr. Joe Cosmi's application for a Taxi Cab Owner's Licence until 1990 November 28.

November meeting dates were discussed and the Committee **AGREED** to cancel the November 07, 1990 Licensing meeting due to the lack of a quorum. The next Licensing Committee meeting will therefore be held 1990 November 28.

Irene Weiss

The Chairman stated that the Committee had deliberated on the written submissions from Mrs. Weiss' solicitor and the representative of the City Solicitor's office and were leaning towards a decision that Mrs. Weiss did not qualify at that point as an owner and therefore the Committee would be receptive to a request for deferral. However, the Chairman said the Committee was at the disposal of Mrs. Weiss' solicitor.

Mr. Rudolph attended on behalf of Mrs. Weiss and made an oral submission to elaborate on his written submission. He said Florence Urban was present and willing to appear as a witness on behalf of Mrs. Weiss.

Mr. Rudolph said the requirement of Part 6 of the By-law had been met other than the definition of an owner. He admitted that Mrs. Weiss did not register as an owner with the City but submitted that the definition of "owner" in the By-law stated "includes" the owner of a vehicle or a purchaser of a vehicle under contract, agreement, understanding or arrangement". He said this allowed the Committee to apply common sense and look to the intent of the By-law. He said the intent of part 6 of the By-law was to restrict ownership of taxi plates to persons in the industry.

Mr. Rudolph said in his opinion, if his client was forced to request a deferral, it would be tantamount to fining his client 2 year's loss of income because she technically did not meet the requirements of the By-law.

At this point, Aldermen McCulloch and Drury left the meeting. Mr. Rudolph and his client approved the hearing of the remainder of the case by Mr. A.J. Child, Alderman T. Cooke and Mr. J. Jones.

Mr. Sabo referred to his written submission and said it was never the City's position that the definition of owner was precisely clear. He cautioned against "driving a truck through a By-law" because it would then leave the Committee open to applications from others.

Mr. Sabo said looking specifically at the definition of taxi cab owner and no matter which definition was used under the By-law, the Committee would have to look at Mrs. Weiss circumstances and decide.

In response to a question, Mrs. Weiss said she was presently driving a taxi prior to which she had driven a livery vehicle for three years.

At this point the Committee adjourned to deliberate.

The Committee reconvened and the Chairman advised that the Committee was prepared to consider Mrs. Weiss as an owner under the purposes of the By-law and was prepared to proceed to a full hearing and submission of evidence, particularly with respect to income tax statements, insurance documentation, etc.

Mr. Rudolph agreed, subject to his client's approval, and said he would present evidence at the Licensing Committee meeting to be held on November 28.

In response to Mr. Sabo's request, the Chairman requested that this evidence be supplied to the Legal Department a minimum of two weeks prior to the hearing.

11. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

A handwritten signature in dark ink, appearing to be 'J. Dembe', is located in the bottom right corner of the document.

BACKGROUND:

On July 25, 1989, City Council in adopting Section 1(a) of the ELEVENTH REPORT of the Legislation Committee for 1989 received for information the current Taxicab Priority List. Contained on this list were 770 names, including duplicates.

Between June 29, 1989, when the new Taxicab Priority List was being prepared by the Licensing Committee, and August 29, 1989 when the new By-law 89-249 which contained the new regulations for renewing one's name on the list was enacted, 11 new applications were received but could not be formally added to the Priority List.

In November 1989, the City sent Notice by Registered Mail to the 781 persons on the Taxicab Priority List advising them of the new changes respecting the Priority List, including the requirement of annual renewal. In addition, Public Notices were placed in The Spectator on two occasions and these Notices were also posted at all Taxicab Brokerages and the Taxicab Inspection Office.

Of the 781 Registered Notices which were sent, 520 were delivered and 261 were returned undelivered.

It should be noted that the addresses to which we were required to send Notices were those contained on the Taxicab Priority List submitted to City Council on July 25, 1989. Many of these addresses were not current and it was for this reason that the additional Notices were placed in The Spectator and Taxi offices.

On August 13, 1990, a Reminder Notice was sent by ordinary mail to the 754 persons on the Taxicab Priority List ($781 - 27 = 754$); the remaining 27 persons were not sent Reminder Notices as their applications for Taxi Owner Licences had already been considered by the Licensing Committee.

Of the 754 Reminder Notices sent, 146 Notices were returned undelivered. However, 46 of these Notices were redirected to other addresses which were on the City's computerized licence records. It should be noted that the remaining 100 Notices could not be redirected.

In addition to the sending of the Reminder Notices, similar Notices were posted at the three Taxi Brokerages and Taxicab Inspection Office. The Taxi Brokerages were also requested to broadcast on their radio dispatch system the information contained on the Notice.

Between the forwarding of the original Registered Notice of November 7, 1989 and the sending of the Reminder Notice on August 13, 1990, 93 persons had paid the \$50.00 fee to renew their names on the Priority List.

Due to the fact that the Licence Division had been previously authorized by the Licensing Committee to notify the first 50 persons on the Taxicab Priority List to perfect their

applications for possible consideration of a Taxi Owner's licence from the Taxicab Priority List, these individuals who had not already been considered by the Licensing Committee or had, as yet, not renewed their name with the payment of the \$50.00 fee, were contacted by telephone or by a hand delivered notice to do so. This additional procedure was necessary in order to avoid any confusion by these applicants as to whether or not they were required to pay the \$50.00 fee to keep their name on the Priority List and still be considered for a Taxi Owner's licence.

As a result of the sending of the Reminder Notice on August 10, 1990 and the posting of Notices, all applications for renewal which were received by the Licence Division on or before October 1, 1990 or post marked no later than October 1, 1990 were accepted for renewal. An additional 283 persons renewed their names on the list with the payment of \$50.00. In total 376 persons paid \$50.00 to renew their name on the Priority List.

When verification of the 376 individuals was completed, 7 persons were identified as having paid the \$50.00 renewal fee twice and have since received refunds. One additional person paid his \$50.00 renewal fee although his name had been previously removed from the list by City Council at its meeting held February 13, 1990 and the fee has been refunded. Two others had paid the renewal fee prior to receiving Taxi Owner licences from the Taxicab Priority List.

At the meeting of the Licensing Committee held on September 26, 1990, two new applicants had paid the \$50.00 fee for entry onto the Priority List and were approved for addition to the Taxicab Priority List.

Following the October 1, 1990 deadline, 1 individual requested in writing to the Secretary of the Licensing Committee that his name be removed from the list and \$50.00 refunded.

With the removal of 11 individuals and the addition of 2 persons, the total number of names on the Taxicab Priority List is 368.

Members of the Licensing Committee will recall that at its meeting held October 24, 1990, the Committee granted a deferral of Cameron Warner's application for a Taxi Owner's licence until August 28, 1991. Due to an oversight, staff should have indicated during the meeting that Mr. Warner had failed to renew his name on the Taxicab Priority List by the October 1, 1990 deadline. Due to health related circumstances, we are of the opinion that it would be in order for Mr. Warner to be given the opportunity to pay the \$50.00 renewal fee and have his name remain on the Taxicab Priority List in accordance with Subsection (4) (a) (b) of Section 20 of By-law 89-249, as amended. This section of the By-law gives the Licensing Committee the authority to add or delete names of applicants in order of the date of application to the Taxicab Priority List.

It is anticipated that a number of individuals who failed to renew their names on the Taxicab Priority List will request the opportunity to come before the Licensing Committee to have their name restored to the list. We and the Law Department are of the opinion that it would be in order for the Committee to grant such requests for a hearing and make a determination based on the facts presented at that time.

Many individuals who renewed their names on the Taxicab Priority List updated their address at the time of payment. They did not, however, utilize the Address/Telephone Change Form which is usually used to update such changes. These address changes are contained in our payment records and are hereby recommended for updating the incomplete addresses contained on the list.

1. Minutes of Meetings

2. Taxi Cab Priority List Hearings

The Committee **AGREED** to hear the Taxi Cab Priority List applicants as follows:

Irene Weiss

Mr. Dembe was sworn as a witness and gave evidence to the fact that sufficient proof had been presented to his office to indicate that Mrs. Weiss was active in the taxi industry for the past two years. He went on to explain that until recently the Taxi Owner Plate had been registered solely in her husband's name.

Mr. Dembe said no plates had been sold during the past two years and Mrs. Weiss' name had been added to both plates. In response to Mr. Sabo's question, Mr. Dembe confirmed that if Mrs. Weiss' name had appeared on the plate for the last two years this would have been a consent application.

Mr. Rudolph attended on behalf of Mrs. Weiss and referred to the previous meeting at which time the Committee had said they would be prepared to consider Mrs. Weiss as an owner under the purposes of the By-law and was prepared to proceed to a full hearing and submission of evidence. He asked and received confirmation that such evidence had been presented.

The Committee agreed to take the matter under advisement and retired to deliberate.

The Committee then reconvened in open session and **AGREED** as follows:

That the Taxi Cab Owner's licence application of Mrs. Irene Weiss be granted.

Paul Hill

Mr. Dembe gave evidence to the fact that Mr. Hill had appeared before the Committee on 1990 June 13 at which time the Committee had granted Mr. Hill's request for a deferral until 1990 November 14.

Mr. Dembe said he had received sufficient documentation to prove Mr. Hill's involvement in the industry for a two year period.

Mr. Wellenreiter attended on behalf of Mr. Hill and advised the Committee that Mr. Hill had also submitted 100 trip sheets as a driver in addition to the lease agreement.

Mr. Dembe said in his opinion Mr. Hill met the requirements of the By-law.

That the Taxi Cab Owner's licence application of Mr. Paul Hill be granted.
